

PRESCRIPTION DRUG PLAN

Affordable medication for everyone

Has the high cost of Prescription Benefits become a problem for you? Americas Health Options now offers an exclusive Prescription Drug plan for Americans.

We will provide you with unparalleled control to customize your self-funded fully-insured prescription plan. You may choose from one of our many shelf plans (please see sample below), or go through our underwriting process to create something unique for your company. With a fully insured prescription drug plan, you will find peace-of-mind in choosing a plan within your company budget, and knowing that the cost is guaranteed for at least 12 months.

You will be able to take advantage of excellent customer service, as well as rely on constancy within an ever changing health care industry. We look forward to helping you customize your prescription drug plan.
